Hi, Jack! I'm a apologize for not returning the dictionary to you. I am so sorry, I couldn't see you yesterday because I was very busy. I helped my mother in cleaning home, after my grandparents invited me on the dinner. It was really good. I promise I will bring it to your house today. Your dictionary helped me for this time. I use it in school at home and in my group English lessons.  
Thank you for writing. See you!

B. Dear friend,

I am glad to get your e-mail. I feel sorry for your problem. To be honest, I also have a lot of tasks for my winter holidays. I am a little bit confused at the moment. We are to relax it all done and have an easy-going rest for only one week! Definitely, I cannot afford both my homework and personal deals.

By the way, my personal deals! I have forgotten to tell you absolutely! First of all, I am having a make-up course starting on Tuesday. And it is completely free! The second deal is related to my art. I will start my new picture. I wish I started it earlier, but I was busy at school. I will send you a photo as I have finished.

It is often said: "Business before pleasure". So in the beginning of my holidays, I will make all school tasks at least because I am a responsible person. If I don't make it, I will be tired out of my mental part.

I wish you the best winter holidays. I am sure you will make your homework on time. I am looking forward to hear from you.

Your close friend  
 Victoria

Hi Dear friend  
 I have just received your letter so I am writing  
 you now. I am grateful for your letter. Thank  
 you for writing me. I hope you spent  
 winter holiday very well. I also have a  
 problem with relax. I don't have enough  
 time for leisure activities too. But, I can  
 give you some advice for studying.  
 First of all, you should make a schedule  
 your step-by-step do your plan. it is helpful  
 for you studying and makes <sup>you</sup> more  
 flexible. Therefore, you will have enough  
 time for extracurricular activities and  
 relax. For example, I followed for this  
 plan last summer holidays and it was  
 very beneficial for me. Now, I have  
 a plenty of homework and extra-tasks  
 but, I do my best and I have time  
 for walking and working out. The second  
 main ~~advise~~ I can give you is that  
 she must have a good sleep, because  
 the health is built up of sleeping.  
 So I am recommend to you it.  
 I don't want to be annoyed but,  
 I have to say it again. Thanks you for  
 your letter again. I appreciate for you  
 writing me. I hope we can meet  
 at the day of seeing.  
 With the best wishes your friend Alina.
